### Interface Zero 2.0 (Savage Worlds, GGPIZ201) By David Jarvis

FULL METAL CYBERPUNK! In a not-so-distant future, the world has been ravaged by global warming, subjected to the horrors of nuclear war and natural disaster, witnessed the collapse of the mightiest nation in the history of the world, and the rise of other nations to take its place. In East Asia, the Bear and the Dragon battle for control of the resource-rich continent, and an emergent A.I. known only as Charon has destabilized the whole of Europe, sparking revolution and chaos not seen since the Second World War. On the North American continent, the prospect of conflict once again rears its ugly head as terrorist bombings in Atlantica, bring the nation to the brink of war with the North American Coalition. Is this the work of Charon, as well, or are other forces moving behind the scenes? Only time will tell. Science has hacked the genome, unlocking the secrets of DNA to facilitate the creation of new breeds of human; genetic hybrids, human 2.0, and even simulacrum- a slave race grown in amniotic vats and sold on the open market. Cybernetic technology has reached the point where those with the money and the will to do so, can become living machines. Computer science has grown by leaps and bounds as well. Dubbed Interface Zero by those who created it, the Tendril Access Processor-or TAP-downloads the Global DataNet and Hyper Reality directly into the minds of billions of users across the solar system, bringing the world an unparalleled level of interconnectivity, and danger. Malware plagues the Deep, and hackers manipulate the Tendril Access Processor to upload malicious virii, steal secrets, and even the identities of the unwary. This is the world in 2090, omae; let's hope you survive it. Interface Zero 2.0 is a cyberpunk game powered by the Savage Worlds game system. Play bioroids, full-metal cyborgs, vat-grown simulacra, genetic hybrids, Human 2.0, and even androids! Hack the world around you with our revised hacking rules, or take control of a drone and lay down some fire-support for your team! Get cybered with new cybernetics using our Fast Furious and Fun rules! Interface Zero 2.0 is created by Peter J Wacks, David Jarvis, Hal Maclean, Matt Conklin jr. and Patrick Smith

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Frances Norman:**

Have you spare time for just a day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their spare time to take a walk, shopping, or went to the Mall. How about open or even read a book entitled Interface Zero 2.0 (Savage Worlds, GGPIZ201)? Maybe it is being best activity for you. You recognize beside you can spend your time using your favorite's book, you can cleverer than before. Do you agree with it is opinion or you have additional opinion?

##### **David Williams:**

What do you consider book? It is just for students as they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every single other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Interface Zero 2.0 (Savage Worlds, GGPIZ201). All type of book can you see on many methods. You can look for the internet methods or other social media.

##### **Staci Eager:**

A lot of people always spent their particular free time to vacation or maybe go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book that you simply read you can spent all day every day to reading a guide. The book Interface Zero 2.0 (Savage Worlds, GGPIZ201) it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. Should you did not have enough space to develop this book you can buy the actual e-book. You can m0ore simply to read this book from the smart phone. The price is not too expensive but this book possesses high quality.

##### **Martha Bryant:**

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try factor that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Interface Zero 2.0 (Savage Worlds, GGPIZ201), you are able to enjoy both. It is excellent combination right, you still need to miss it?

What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.
