"Definitely worth reading! I am planning a kayaking trip next month and this book gave me great insight on how to prepare and what to expect. Great detail on the ins and outs of a kayak, how to dress, what to bring, and most importantly how to organize. I not only highly recommend this book, its definitely full of information that I will download and bring along with me (just in case). You can tell by reading this book that the author has passion towards the sport of Kayaking and wants to share this knowledge. I have no doubt that if you read this book, and follow the suggestions, you will have a successful and rewarding trip."

"Kayak Fishing Made Easy by Scott Parsons is a good read. I love to fish and boat and this combines both. I'm ready to go kayak fishing now."
- RDC

"The book was very informative from style of kayak buy and the accessories to go along with it. I like all the various videos as well. I would highly recommend reading this before going out on big water."
- Jon Webster

"I thought it was good for the money. Some of the video links were to good

youtube channels about kayak fishing. I saved them in my preferences for future viewing."

- Amy Fowler

"I've been an avid kayaker for some years now, but never been kayak fishing, so I got this book just for general interest. I was a bit shocked about how much there is to be learnt about kayak fishing, so I'm keeping this one in my kindle as a reference book.

I am now saving up for a fishing kayak, which I should be able to get in a few weeks. Can't wait to get out there!"
