### Me Since You By Laura Wiess

“Laura Wiess’s masterful prose kept me turning the pages. This is the first book in a very long time that made me say, ‘Wish I’d written this’” (Ellen Hopkins, author of *Crank*, on *Such a Pretty Girl*).

**Laura Wiess captures the visceral emotion of a girl’s journey from innocence to devastating loss and, ultimately, to a strange and unexpected kind of understanding—in this beautiful and painfully honest new novel.**

*Are there any answers when someone you love makes a tragic choice?*

Before and After. That’s how Rowan Areno sees her life now. Before: she was a normal sixteen-year-old—a little too sheltered by her police officer father and her mother. After: everything she once believed has been destroyed in the wake of a shattering tragedy, and every day is there to be survived.

If she had known, on that Friday in March when she cut school, that a random stranger’s shocking crime would have traumatic consequences, she never would have left campus. If the crime video never went viral, maybe she could have saved her mother, grandmother—and herself—from the endless replay of heartache and grief.

Finding a soul mate in Eli, a witness to the crime who is haunted by losses of his own, Rowan begins to see there is no simple, straightforward path to healing wounded hearts. Can she learn to trust, hope, and believe in happiness again?

### Editorial Review

From [Booklist](#)

On the day sophomore Rowan Areno skips school, a series of tragic events occur for which she feels personally responsible. She befriends Eli, a young man who witnessed a suicide and is also dealing with the loss of his father in Iraq. But when Rowan's father, a beat cop already troubled by on-the-job incidents, takes his own life, Eli can't seem to help her find the answers to the questions that haunt her. Even Rowan's best friend doesn't understand the depth of Rowan's pain, and her mother has all but given up. The novel deals with emotionally sensitive topics, but Wiess covers other important subjects including the impact of forming and sharing public opinions based on incomplete facts, of depression in a family setting, and of one random act creating ripples in other people's lives. With skillful handling of two related suicides before the middle of the book, Wiess offers, on a larger scale, a study in the many facets of grief, the healing process, and how forgiveness can come in many forms. Grades 9-12. --Jeanne Fredriksen

### Users Review

#### From reader reviews:

#### Debra Richardson:

Book is to be different per grade. Book for children right up until adult are different content. To be sure that book is very important for us. The book Me Since You was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The e-book Me Since You is not only giving you a lot more new information but also to get your friend when you feel bored. You can spend your current spend time to read your guide. Try to make relationship while using book Me Since You. You never really feel lose out for everything should you read some books.

#### Robert Gibson:

Do you have something that that suits you such as book? The guide lovers usually prefer to opt for book like comic, quick story and the biggest some may be novel. Now, why not seeking Me Since You that give your enjoyment preference will be satisfied by reading this book. Reading addiction all over the world can be said as the means for people to know world a great deal better then how they react toward the world. It can't be claimed constantly that reading behavior only for the geeky man but for all of you who wants to always be success person. So , for every you who want to start reading as your good habit, it is possible to pick Me Since You become your starter.

**Jeffrey Chambers:**

The book untitled Me Since You contain a lot of information on that. The writer explains your ex idea with easy approach. The language is very clear and understandable all the people, so do not worry, you can easy to read this. The book was authored by famous author. The author provides you in the new period of time of literary works. It is possible to read this book because you can read more your smart phone, or gadget, so you can read the book in anywhere and anytime. If you want to buy the e-book, you can open up their official web-site and also order it. Have a nice study.

**Samuel Freeman:**

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Me Since You can make you experience more interested to read.
