**National Geographic Traveler: Japan, 4th Edition** By Nicholas Bornoff, Perrin Lindelauf

Active travelers trust National Geographic to deliver what they want in a guidebook--expert advice, insider tips, and the cultural feel of each destination not easily found online. These guides are pitch-perfect for today's experiential travel enthusiasts who want an authentic, enriching immersion.

Bornoff describes the best ways to tackle Tokyo and other must-see sites in Japan such as Mount Fuji, imperial Kyoto, historical Nagasaki, Hokkaido and its national parks, and dozens of other major and lesser-known places. In-depth features discuss the fascinating contrasts between Japan's modern, cutting-edge technological facade and its ancient core. The guide highlights traditions such as Kodo drumming, the exquisite beauty of garden design, and the spirits and demons that animate Noh and kabuki theater. Numerous city walking tours, a hike through feudal Hagi, and a stunning array of photos and artwork complement this exciting insider's guide.

### Editorial Review

#### About the Author

Fresh out of a Parisian film school, NICHOLAS BORNOFF worked in Indonesia, sparking his lasting fascination with the Far East. Later he moved to Japan for a job in a Tokyo advertising agency, and then was a film critic for *The Japan Times*. Now in London with his Japanese wife and young son, Bornoff writes articles appearing in *The Guardian* and many other publications in Europe and the United Kingdom. Bornoff is the author of two books.

### Users Review

#### From reader reviews:

##### Curt Roepke:

What do you concentrate on book? It is just for students because they're still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't would like do that. You must know how great and also important the book National Geographic Traveler: Japan, 4th Edition. All type of book can you see on many resources. You can look for the internet resources or other social media.

##### James Reed:

In this 21st century, people become competitive in most way. By being competitive right now, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yeah, by reading a guide your ability to survive improve then having chance to remain than other is high. For you personally who want to start reading some sort of book, we give you this kind of National Geographic Traveler: Japan, 4th Edition book as beginning and daily reading publication. Why, because this book is more than just a book.

##### Martin McDaniel:

Why? Because this National Geographic Traveler: Japan, 4th Edition is an unordinary book that the inside of the book waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the reserve store hurriedly.

**Hubert Drummond:**

A lot of guide has printed but it is unique. You can get it by world wide web on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever simply by searching from it. It is identified as of book National Geographic Traveler: Japan, 4th Edition. You can contribute your knowledge by it. Without making the printed book, it might add your knowledge and make anyone happier to read. It is most significant that, you must aware about book. It can bring you from one spot to other place.
