Pee Perverts: Desperate At The Christmas Party By Abigail Thornton

When it comes to men, Vanessa Smith has a habit of going from one extreme to the other. However, when she spots Nicholas Stafford in a bar, she's got no idea how extreme things are going to get. Nicholas is a genuine Pee Pervert and what he does shocks poor Nessa so badly that she abandons both London and Nicholas for the Christmas holidays. Instead, she runs straight back into the open arms of Jade, a childhood friend and soon finds herself playing a game of 'Desperation'.

It's not just Jade's arms which are open as Nessa receives a very warm and wet welcome home.

This is a short story of about 6000 words.
