Shuttergirl: (A Standalone Second Chance Romance) By CD Reiss

THE USA TODAY BESTSELLER

I never forgot her. Not for one minute. Not from the last time I saw her, at seventeen, to today. I measured all women against her and all women came up short.

But being with her was unfeasible in high school, and it's taboo now.

I see her sometimes, but I've never spoken to her. She runs, or I run. We're in the same town, on the same block, in the same building, and the gulf between us is just too wide to cross.

Until tonight.

He was my high school crush, back when I lived in a world that didn't want me. He was the perfect boy, and I was the outcast kid from the other side of town. And when he held my hand I thought I could fit in, just a little. I thought I could be his and he could be mine.

Then he left, and my life fell apart.

Now we are the king and queen of opposite sides of Hollywood. And we haven't spoken a word to each other.

Until tonight.

Editorial Review

Review

A Hollywood love story about a broken girl and a boy who needs to be broken.

A confident, badass heroine and a swoon worthy, good guy find each other. It's a Hollywood affair with more colors of reality than fairytale, depicting an honest and endearing paparazzi meets movie star relationship that captures all the swoon and flutters of the best love stories. With strikingly beautiful prose and the contrasting gritty, vivid Los Angeles setting, *Shuttergirl* is Reiss's finest work yet.

LAURELIN PAIGE - *NY Times* bestselling author of the *Fixed Series*

Engaging, sexy, *ShutterGirl* is just another example of why CD Reiss is one of my go to authors. Her clean writing style, flawed but relatable characters, and well-crafted story make this book one that's hard to put down even after you read the last page.

KRISTY BROMBERG - *NY Times* bestselling author of the *Driven Series*

I went into *Shuttergirl* not knowing what magic CD Reiss had created. I was swept away with perfect prose, incredible imagery, and a character connection I loved. A perfect modern day fairy-tale where the loved and hated try to bridge the chasm of society's unwritten laws and listen to what they want, rather than what Hollywood tells them. It's the shit. Buy it.

PEPPER WINTERS - *NY Times* bestselling author of *Monsters in the Dark*

A story rich with tenderness and romance, written with the intelligence and wit that is all CD Reiss. I loved everything about *ShutterGirl*!

MIA SHERIDAN - *NY Times* bestselling author of *Archer's Voice*

Shuttergirl is an utterly romantic love story, and Michael is a swoonworthy leading man - he's witty, gorgeous, kind and kisses like a superstar!

LAUREN BLAKELY - *NY Times* bestselling author of *Night After Night*

About the Author

CD Reiss is a *New York Times* bestseller. She still has to chop wood and carry water, which was buried in the fine print. Her lawyer is working it out with God but in the meantime, if you call and she doesn't pick up, she's at the well, hauling buckets.

Born in New York City, she moved to Hollywood, California to get her master's degree in screenwriting from USC. In case you want to know, that went nowhere, but it gave her a big enough ego to try her hand at novels. She'll tell you all about it out back, where a cord of wood awaits.

If you meet her in person, you should call her Christine.
