## The 1917 or Pio-Benedictine Code of Canon Law: in English Translation with Extensive Scholarly Apparatus From Ignatius Press

Available for the first time in a comprehensive English translation, this thoroughly annotated but easy-to-use presentation of the classic 1917 Code of Canon Law by canon and civil lawyer Dr. Edward Peters is destined to become the standard reference work on this milestone of Church law. More than just of historical interest, the 1917 Code is an indispensable tool for understanding the current 1983 Code under which the Roman Catholic Church governs itself.

Dr. Peters' faithful translation of the original Latin text of 1917, along with his detailed references to such key canonical works as Canon Law Digest and hundreds of English language doctoral dissertations on canon law produced at the world's great Catholic universities, now allows researchers to access directly this great fountain of ecclesiastical legal science. No student of canon law, and indeed, no one with a need to understand modern Church administration, can afford to be without this important volume.
