The Quest for Enlightenment By A. C. Bhaktivedanta Swami Prabhupada

At the dawn of time, Brahma sat in trance, seeking inspiration to create the universe. Who am I? he wondered. Where have I come from? What should I do? Then the Supreme Being, Krsna, revealed Himself, flooding Brahma's heart with transcendental knowledge. Passed down since Brahma's time through an unbroken chain of gurus and disciples, that same profound knowledge is ours in The Quest for Enlightenment. The author of Quest is His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, whom scholars and spiritual leaders worldwide recognize as the most distinguished teacher of Indian culture and philosophy of the modern age. With his spiritual lineage reaching back through Brahma to Sri Krsna, Srila Prabhupada is uniquely qualified to present the timeless Vedic teachings on yoga, meditation, reincarnation, and self-realization that have helped countless seekers in their search for ultimate peace and happiness

Editorial Review

Users Review

From reader reviews:

Marcy Ontiveros:

Book is definitely written, printed, or descriptive for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Alongside that you can your reading proficiency was fluently. A e-book The Quest for Enlightenment will make you to be smarter. You can feel much more confidence if you can know about almost everything. But some of you think that will open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you seeking best book or acceptable book with you?

Jessica Peacock:

Reading can called brain hangout, why? Because if you are reading a book especially book entitled The Quest for Enlightenment the mind will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely might be your mind friends. Imaging just about every word written in a e-book then become one contact form conclusion and explanation that will maybe you never get before. The The Quest for Enlightenment giving you yet another experience more than blown away your thoughts but also giving you useful information for your better life on this era. So now let us show you the relaxing pattern is your body and mind will probably be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Robert Hyde:

Do you really one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Aim to pick one book that you never know the inside because don't judge book by its cover may doesn't work this is difficult job because you are afraid that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer could be The Quest for Enlightenment why because the excellent cover that make you consider in regards to the content will not disappoint you actually. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly show you to pick up this book.

Duane Sills:

Publication is one of source of understanding. We can add our information from it. Not only for students and also native or citizen require book to know the change information of year in order to year. As we know those ebooks have many advantages.
