### Verdades innombrables. El reto de las comisiones de la verdad (Sociología) (Spanish Edition) By Priscilla Hayner

En este libro se realiza un minucioso análisis sociológico del trabajo de varias comisiones de la verdad, con especial atención en los casos de Sudáfrica, Guatemala, Argentina, Chile y El Salvador. A partir de los casos particulares se analizan hechos específicos como el valor moral de la reparación a las víctimas mediante la publicación de la verdad, frente a la imposibilidad de castigar penalmente por crímenes de Estado. Sin ser un manual para la creación de comisiones de la verdad, la obra se ocupa de problemas concretos que debe enfrentar toda comisión: legislación, financiamiento, autoridad moral, metodología.
