Yes, Roy By C. Spike Trotman

An erotic graphic novel created by and for women, *Yes, Roy* is a period piece set in 1963 California. It features a three-way femdom relationship between one woman and two men. Written with humor and humanity, and drawn with effervescent charm, this is a BDSM story that skips the leather-and-chains pageantry often expected of such kinks, and focuses instead on the true bonds between the three partners.

Yes, Roy has already garnered enthusiastic praise and great reviews, including the greatest compliment a fetish book can receive: "I didn't know I was into this kind of thing, but I am now!"
