**Cold-Case Christianity for Kids: Investigate Jesus with a Real Detective** By J. Warner Wallace, Susie Wallace

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In *Cold-Case Christianity for Kids*, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling *Cold-Case Christianity*, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website ([coldcasechristianityforkids.com](http://coldcasechristianityforkids.com)) where kids can download activities, fill in case notes, and earn a certificate of merit.

### Editorial Review

#### Review

"J. Warner and Susie Wallace have succeeded in writing a book that is the perfect trifecta - drawing kids into the story of Jesus, encouraging them to investigate and learn about Jesus' story, and giving them the tools they need to stand by their Christian faith. This book offers our youth a solid foundation for their faith, which is a priceless commodity and raises up a generation of Christian leaders for our communities." - **Jordy and Emily Nelson**, Parents and Wide Receiver for the Green Bay Packers

"*Cold Case Christianity for Kids* is a great family read-aloud, but don't be surprised if your kids want to read ahead. *Cold Case Christianity for Kids* will inspire them to seek truth, to love Jesus, to have a new fascination with the Bible, and to become the kinds of truth detectives who can make a difference in our world." - **Jeff Myers**, Ph.D., President, Summit Ministries

"Here's a creative, clear, and compelling primer that will sharpen the reasoning skills of kids. They'll love the detective approach to the evidence for faith!" - **Lee Strobel**, best-selling author of *The Case for Christ*

"J. Warner and Susie Wallace have written a book that will engage your children in an interesting new way. Helping our kids learn *how* to think rather than *what* to think is key to raising well rounded, stable adults. *Cold-Case Christianity for Kids* will help your kids stand tall for the Truth no matter what challenges they face in life." - **Melissa Joan Hart**, star of *God's Not Dead 2*

"When I read *Cold-Case Christianity*, I wished it had been available when I first examined the Christian faith. *Cold-Case Christianity for Kids* combines the wisdom and excitement of detective investigations with the case for Christianity, and it's written by parents who have been training students for years. If you want your children to be ready to defend the truth about Jesus, this book is essential." - **Josh McDowell**, apologist and author of *Don't Check Your Brains at the Door*

#### From the Author

*Cold-Case Christianity for Kids* includes many illustrations I've drawn for kids, and is supported by an interactive website that allows kids to download chapter activities and "case note" fill-in sheets. When these are successfully completed and assembled in an "Academy Notebook," readers will be qualified to earn a Cold-Case Academy "Certificate of Merit." Plus, *Cold-Case Christianity for Kids* follows the same chapter sequence as my adult book, *Cold-Case Christianity*, so parents and children can discuss and explore the evidence together, chapter by chapter.

#### From the Inside Flap

Can your kids make the case for Christianity? *Cold-Case Christianity for Kids* will help them learn about conspiracy theories, test witnesses, and use the "Chain of Custody" as they investigate the evidence for Jesus.

### Users Review

#### From reader reviews:

**Florence Croy:**

What do you with regards to book? It is not important along with you? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is suitable.
