Farm Power and Machinery Management By Donnell Hunt

Mechanization is an integral part of all North American farms. While farm machinery has improved the efficiency of farming dramatically over the years, the costs of owning and operating machinery can be excessive. Proper management and optimization of mechanized equipment are essential for reducing costs and maximizing profits. *Farm Power and Machinery Management* analyzes the factors that comprise machinery management, explains the functions of the various machines and mechanisms as they affect economic operation, and offers contemporary approaches and procedures for making management decisions. The authoritative coverage of management principles and the machinery-operating details make this text an outstanding choice for courses in agricultural education, agricultural mechanization, agricultural business, and agricultural engineering. An understanding of agricultural practices, college algebra, and trigonometry are adequate preparation for using this text. Abundant figures, photographs, and charts, along with laboratory exercises that amplify and fix the concepts of farm machinery management in the reader's mind, enhance the text's effectiveness for students, as well as for farmers, farm operators, and farm managers.

Editorial Review

Users Review

From reader reviews:

Mark Carter:

Have you spare time to get a day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a stroll, shopping, or went to typically the Mall. How about open or read a book entitled Farm Power and Machinery Management? Maybe it is being best activity for you. You recognize beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with it is opinion or you have some other opinion?

Joshua Mendez:

Book is to be different for every grade. Book for children until adult are different content. As you may know that book is very important for all of us. The book Farm Power and Machinery Management was making you to know about other understanding and of course you can take more information. It is quite advantages for you. The book Farm Power and Machinery Management is not only giving you far more new information but also to become your friend when you feel bored. You can spend your personal spend time to read your e-book. Try to make relationship using the book Farm Power and Machinery Management. You never really feel lose out for everything should you read some books.

Donald Labelle:

Here thing why this Farm Power and Machinery Management are different and reputable to be yours. First of all looking at a book is good but it depends in the content of computer which is the content is as scrumptious as food or not. Farm Power and Machinery Management giving you information deeper as different ways, you can find any book out there but there is no guide that similar with Farm Power and Machinery Management. It gives you thrill examining journey, its open up your personal eyes about the thing that will happened in the world which is probably can be happened around you. You can easily bring everywhere like in area, café, or even in your means home by train. When you are having difficulties in bringing the printed book maybe the form of Farm Power and Machinery Management in e-book can be your option.

William Rose:

The reason why? Because this Farm Power and Machinery Management is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will surprise you with the secret the idea inside. Reading this book adjacent to it was fantastic author who all write the book in such wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it

is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.
