Editorial Review

Review

"It ought to be required reading for any college or seminary class [about] foundations of youth ministry or Christian education." -- *Journal of Youth Ministry*, April, 2004

From the Author

Hopefully this book will prepare you for, and enrich your ministry and deepen your thinking as you integrate personal experience with the behavioral sciences and God's Word. Hopefully, it may also reveal places in your own life which need healing and encourage your personal growth.

From the Inside Flap

Hear My Story challenges and equips the reader to enter the world of young people by listening to the stories they tell and understanding the experiences that have shaped their lives. Borgman invites the reader to consider how the Story, the good news of the gospel, intersects with and is able to redeem young people's stories in order that their stories become part of the Story.

—Darwin K. Glassford, Associate Professor of Bible and Christian Education; Assistant Academic Dean, Montreat College

All youth workers need this book on their shelves and in their hands because this tool will give them an insight into troubled youth that is both heartfelt and well reasoned. It has both the guts and the brains to be useful to the practitioner and the student who seek to touch the lives of the least, the lost, and the left behind.

—Rev. Chris Hill National Youth Evangelist, Chris Hill Evangelistic Association

This is a must-read work on troubled youth. Dean Borgman has developed a very comprehensive work that will be helpful for every youth worker, pastor, counselor, or health care professional who works with young people. . . . Don't miss this one!

—Raymond F. Pendleton, Professor of Pastoral Care and Counseling, Director of the Clinical Counseling Program, Gordon-Conwell Theological Seminary

This book reflects Dean's heart and passion for hurting kids—and it's contagious! It also encapsulates a lifetime of Dean's learning. If you have a heart for troubled kids, Hear My Story is a must.

—Scott Larson, President, Straight Ahead Ministries and author of *At Risk: Bringing Hope to Hurting Teenagers*

I see this book as Dean's magnum opus—a brilliant work that brings together the best of current scholarship, sound theology, and radical understanding of the wildly changing urbanized culture in which we all live. This will be required reading for all my students for many years to come. I loved the book!

—Chapman R. Clark, Associate Professor of Youth, Family, and Culture; Director, Student Leadership Project and Youth and Family Ministry Programs, Fuller Theological Seminary

This is an indispensable resource for those who work with the almost overwhelming challenges of deeply troubled youth. It is full of clear thinking, spiritual wisdom, and much needed hope and help for those working with adolescents who are living on the edge.

—Christian Smith, Professor of Sociology and Director of the National Study of Youth and Religion University of North Carolina at Chapel Hill
