IS EVERYBODY IN? The Poetry of Jim Morrison: A critical essay By George Osol

Jim Morrison is best known as the lead singer of The Doors, whose unique sound continues to attract fans more than 40 years after his death. Compared to the Doors music, relatively little has been written about Jim Morrison's poetry; yet, he most wanted to be thought of and remembered as a poet. This essay explores the imagery, style and themes that permeate Jim Morrison's written words, and compares him with contemporaries like Kerouac, and to classic poets he himself admired and emulated such as Rimbaud. It ends with a conclusion that may surprise some readers, as it brings the conversation back to contemporary music and suggests that Jim Morrison may have been both ahead of his time and unnecessarily dismissive of perhaps his greatest talent.
