### One Hundred Naked Girls By Andy Halmay

Note to Voyeurs! NO PICTURES. This is an innocent romantic comedy with a provocative title, all about sex, soccer and skulduggery. It is a book adaptation of an original screenplay. The film will go into development later in 2016. The film will star Italy's favorite son, Christian De Sica, in his first English speaking role and possibly Cher as his love interest. The book adaptation attempts to give the reader a taste of the film's score along with original songs that range from rap to rock to jazz to standard type pop and even a military march. It is a character-driven story with larger-than-life characters who come across very real while being outrageously funny.
