Uncharted: An On the Island Novella: (A Penguin Special from Dutton) By Tracey Garvis Graves

Tracey Garvis Graves—and Anna and T.J.—return in this companion novella to the *New York Times* bestseller *On the Island*.

When twenty-three-year-old dot-com millionaire Owen Sparks walked away from his charmed life, he had one goal in mind: get as far away as possible from the people who resented his success, or had their hand out for a piece of it. A remote uncharted island halfway around the world seemed like a perfectly logical place to get away from it all.

Calia Reed wasn't part of Owen's plans. The beautiful British girl—on holiday in the Maldives with her brother, James—made Owen wonder if getting away from it all might be a lot more enjoyable with a carefree girl who didn't know anything about the life he left behind.

But Owen had no idea how much his carefully detailed plans would go awry. Nor did he realize that a decision he made would have such a catastrophic effect on two passengers who boarded a plane in Chicago.

And when Owen shows up at Anna and T.J.'s door with an incredible story to tell, everyone involved will learn just how much their lives are intertwined.

Uncharted includes an early look at *Covet*, coming September 2013
