Alone: The Classic Polar Adventure By Richard E. Byrd

When Admiral Richard E. Byrd set out on his second Antarctic expedition in 1934, he was already an international hero for having piloted the first flights over the North and South Poles. His plan for this latest adventure was to spend six months alone near the bottom of the world, gathering weather data and indulging his desire “to taste peace and quiet long enough to know how good they really are.” But early on things went terribly wrong. Isolated in the pervasive polar night with no hope of release until spring, Byrd began suffering inexplicable symptoms of mental and physical illness. By the time he discovered that carbon monoxide from a defective stovepipe was poisoning him, Byrd was already engaged in a monumental struggle to save his life and preserve his sanity.

When *Alone* was first published in 1938, it became an enormous bestseller. This edition keeps alive Byrd’s unforgettable narrative for new generations of readers.

Editorial Review

From Publishers Weekly

This reissue of Byrd's account of a grueling five-month stay at the South Pole in 1934 includes original illustrations by Richard Harrison.

Copyright 1995 Reed Business Information, Inc.

From Library Journal

In this 1938 volume, the great explorer recounts four months he spent alone gathering scientific data in a shack in Antarctica. The result is a remarkable story of survival and adventure. This facsimile edition is published in a blue typeface.

Review

"Better than most modern explanations, Byrd's book shows why men and women still cast themselves into danger in remote parts of the world." - The Los Angeles Times Book Review

Users Review

From reader reviews:

Charles Thomas:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. We all know that that book is important point to bring us around the world. Close to that you can your reading skill was fluently. A reserve Alone: The Classic Polar Adventure will make you to always be smarter. You can feel a lot more confidence if you can know about anything.
