### Editorial Review

From Scientific American

I have always been impressed by Sri Swami Satchidananda's ability to express ancient truths creatively for the modern age without ever leaving his center in the ancient traditions.

From [The New Yorker](#)

Swami Satchidananda has done more than anyone else to make the riches of the Yogic tradition available to Americans of all faiths, affording them an opportunity to integrate some of the yogic practices profitably into their own practice.

Review

Swami Satchidananda has been a spiritual friend to countless thousands, catalyzing their transformations, and a clear, consistent and peaceful voice for honoring the many paths to the One. -- *Ram Dass*
