When you read guides, you can improve your knowledge, mainly because a book has a lot of information in it. The information that you will get depends on what forms of book that you have read. In order to get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to read fiction books, such as novels, comics, as well as soon. The Drawing Cartoons (First Steps) will give you new experience in studying a book.

#### Oscar Barr:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make a summary for some publication, they are complained. Just minor students that have reading's heart or real their passion. They just do what the instructor wants, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise words say, ways to reach Chinese's country. Therefore, this Drawing Cartoons (First Steps) can make you experience more interested

to read.
