Feminist Methodology: Challenges and Choices By Caroline Ramazanoglu, Janet Holland

'An accessible, clearly explained review of difficult concepts within this arena as well as relevant debates. Its strengths are in outlining possible considerations that need to be taken into account when making methodological choices. It also clearly explains how these choices impact knowledge production. This book would undoubtedly be of considerable use to anyone seeking to understand and get to grips with feminist methodological issues' - *Feminism and Psychology*

Who would be a feminist now? Contemporary 'political realism' suggests that the essentials of the battle have already been won, and the current generation of women entering University is used to seeing feminism presented as 'old fashioned', 'extreme' and 'unrealistic'.

Challenging such assumptions, this important new book argues for the value of empirical investigations of gendered life, and brings together the theoretical, political and practical aspects of feminist methodology.

Feminist Methodology

- demonstrates how feminist approaches to methodology engage with debates in western philosophy to raise critical questions about knowledge production
- shows that feminist methodology has a distinctive place in social research
- guides the reader through the terrain of feminist methodology and clarifies how feminists can claim knowledge of gendered social existence
- connects abstract issues of theory with issues in fieldwork practice.

This timely and accessible book will be an essential resource for students in women's studies, gender studies, sociology, cultural studies, social anthropology and feminist psychology.

Editorial Review

About the Author

I have research interests in youth, education, families, intimacy, feminist theory and methodology, and qualitative longitudinal methods, and publish in these areas. Currently Co-Director of Timescapes, an ESRC funded 5 year qualitative longitudinal study with seven projects covering the life course located in five UK universities (Leeds (lead, Director Bren Neale), LSBU, Cardiff, Edinburgh and The Open University). Also have an archiving project in this study with colleagues, Making the Long View, archiving data from a 10 year qualitative longitudinal study of youth transitions, Inventing Adulthoods. See too www.timescapes.leeds.ac.uk; www.lsbu.ac.uk/inventingadulthoods.

Users Review

From reader reviews:

Michael Auten:

What do you think about book? It is just for students because they are still students or this for all people in the world, what best subject for that? Simply you can be answered for that concern above. Every person has diverse personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great along with important the book Feminist Methodology: Challenges and Choices. All type of book can you see on many methods. You can look for the internet options or other social media.

James Robinson:

As we know that book is significant thing to add our know-how for everything. By a e-book we can know everything we really wish for. A book is a group of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This guide Feminist Methodology: Challenges and Choices was filled with regards to science. Spend your spare time to add your knowledge about your science competence. Some people has different feel when they reading a book. If you know how big selling point of a book, you can feel enjoy to read a book. In the modern era like now, many ways to get book that you simply wanted.

Mary Buss:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Feminist Methodology: Challenges and Choices can make you truly feel more interested to read.

Maria Hughes:

Reserve is one of source of information. We can add our knowledge from it. Not only for students but also native or citizen will need book to know the update information of year to help year. As we know those books have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book *Feminist Methodology: Challenges and Choices* we can get more advantage. Don't that you be creative people? To be creative person must want to read a book. Just simply choose the best book that acceptable with your aim. Don't end up being doubt to change your life by this book *Feminist Methodology: Challenges and Choices*. You can more attractive than now.
