**Frankenstein: the original 1818 text (Broadview Literary Texts)** By Mary Shelley

Mary Shelley's deceptively simple story of Victor Frankenstein and the creature he brings to life, first published in 1818, is now more widely read and more widely discussed by scholars than any other work of the Romantic period. From the creature's creation to his wild lament over the dead body of his creator in the Arctic wastes, the story retains its narrative hold on the reader even as it spins off ideas in rich profusion. Macdonald and Scherf's edition of Frankenstein has been widely acclaimed as an outstanding edition of the novel for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. Macdonald and Scherf have now revised and updated their introduction, notes and bibliography, and have added new documents (including a review of Frankenstein by Percy Shelley).

### Editorial Review

#### Review

"This is the best, the most thoughtful advanced school edition of Frankenstein ever done. The text is well-edited, the introduction is thorough, and the collection of contextual documents could hardly be improved." (Jerome McGann )

"Superb. The introduction and appendices are particularly valuable...accessible and illuminating." (Bernard Hirsch )

"Far better than any [other edition] on the market today." (Craig Keating ) --Craig Keating

#### From the Publisher

The Broadview Literary Texts series is an effort to represent the ever-changing canon of literature in English by bringing together texts long regarded as classics with valuable, though lesser-known literature.

#### From the Back Cover

Mary Shelley's deceptively simple story of Victor Frankenstein and the creature he brings to life, first published in 1818, is now more widely read and more widely discussed by scholars than any other work of the Romantic period. From the creature's creation to his wild lament over the dead body of his creator in the Arctic wastes, the story retains its narrative hold on the reader even as it spins off ideas in rich profusion. Macdonald and Scherf's edition of Frankenstein has been widely acclaimed as an outstanding edition of the novel for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. Macdonald and Scherf have now revised and updated their introduction, notes and bibliography, and have added new documents (including a review of Frankenstein by Percy Shelley).

### Users Review

#### From reader reviews:

#### Ricardo Kiernan:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each e-book has different aim or even goal; it means that book has different type. Some people really feel enjoy to spend their time and energy to read a book. They can be reading whatever they consider because their hobby will be reading a book. Think about the person who don't like reading through a book? Sometime, individual feel need book if they found difficult problem or perhaps exercise. Well, probably you'll have this Frankenstein: the original 1818 text (Broadview Literary Texts).

#### Travis Berry:

Do you certainly one of people who can't read gratifying if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Frankenstein: the original 1818 text (Broadview Literary Texts)

book is readable by means of you who hate the straight word style.
