## **Editorial Review**

### **Review**

I seriously fell in love with Ryder and Nora; I couldn't get enough of them. I really enjoy stories where there are characters who were once friends (or enemies) and seeing how they can build a relationship. This book has all of that, I would definitely recommend it because it was funny, adorable, and over all a good read.

-Madalyn Garrett

This book is beyond perfection. It made me laugh and cry. It gave me the feels of frustration, joy, sadness. It gave me a roller-coaster of emotions. I could read it again and many feels would come back. This book is just amazing and wonderful and one of the best books I have ever read. I thought the idea was unique and impressive, something you don't see in Wattpad anymore. I loved it. It's brilliant.

-Jood

I don't even know what to say. This book is amazing. It has the best combination of a little bit of everything. From romance, to hate, awkward situations, funny times, and a handcuffed pair. What more could you ask for. A little bit thrown in together so that almost any type of reader can't help but fall in love with this book.
