The book explains the makings of the magazine—from runways, to editorial meetings, to the pages of *Vogue*. The thoroughly researched story incorporates first-person accounts, interviews with editors and photographers, and excerpts from stories written in the magazine by many world-renowned writers, including Truman Capote, Aldous Huxley, Richard Burton, Federico Fellini, and Marcello Mastroianni. Unparalleled in its scope and exceptionally illustrated, *In Vogue* is sure to be among the most important publications on the subjects of culture, art, fashion, photography, and media.
