Legendary Swashbucklers (Legendary Heroes) (Volume 3) By Alex Augunas, Jason Nelson

Legendary Swashbucklers is a fantastic supplement for the most flamboyant fighters in the game, the dashing and dauntless swashbuckler. This new hybrid class, introduced in the Pathfinder Roleplaying Game Advanced Class Guide, was an evolutionary step in the idea of the light fighter who uses wits as well as weapons and style and speed over strength, and this book takes it to a whole new level with a redesigned legendary swashbuckler class, over a dozen swashbuckler archetypes (including variants of existing archetypes as well as brand-new ones like the tumbler and gallivant). Swashbucklers can add further depth and panache to their origins and abilities by adding personages that open up a whole new suite of skills, from the braggart and daredevil to the madcap and the masked phantom and more! The dervish darter prestige class lets all kinds of characters in on the fun, and an assortment of flashy and fabulous magic items will help outfit your mysterious marauder or audacious avenger ready to take on the world with a smile as bright as your blades. The Legendary Heroes series from Legendary Games brings you an amazing array of abilities that are perfect for enriching play with your favorite class. You'll find new class abilities and new uses for existing class abilities, as well as archetypes, feats, spells, magic items, prestige classes, and more specifically tailored to enrich your play experience with that class in exciting and innovative ways. The all-star team of designers here at Legendary Games is committed to bringing you—the busy GM or player—the absolute best third party support for your Pathfinder campaign, products that are innovative in their ideas, beautiful in their appearance, bursting with the creativity of the best authors in the business and developed with a rich interactive layout that blends form and function, and on top of all of that products that are flat-out fun to play.
