“She gave me life again. She is the reason why I came to life and why I am breathing. Her blood calls out to me like a siren that I cannot ignore. Who is she, you ask? Why, she is My Beloved.”

It was in English class that Wendy heard of a tale about the vampire, Vincent Gilmore, who was buried alive by the townspeople along with their silver. The only thing interesting about it was the silver, which Wendy sure could put to good use for her brother’s surgery.

Wendy was shocked to find that the tale was indeed true, for there, after digging his grave, she came face to face with his rotting corpse, and the mound of silver that she took home.

Unknowingly, Wendy set a series of events that would forever change her life. Her blood brought Vincent back to life, but it wasn’t her blood alone. They were destined to be together.

Because she was his Beloved.
